Big Green Egg Launches New Line of Modular Nests, Tables and Handlers

The Big Green Egg brand has long been synonymous with innovative design and the highest quality products. And now the line of Big Green Egg Custom Cooking Islands, Acacia Hardwood Tables and rolling Nests is enhanced with three new products – engineered specifically for the Big Green Egg.

Modular Nest System

Build your custom outdoor kitchen one step at a time with the Big Green Egg Modular Nest System! Start with an EGG Frame, then add to a custom EGG set up with a watertight Expansion Cabinet or Expansion Frames with a variety of beautiful and functional inserts. You won't believe all of the possibilities!

- Build an outdoor workspace that can be tailored for size and style – multiple EGGs, U-shape, L-shape or just more length, the options are endless!
- Start now and add-on at a later date ... there are components to create virtually any outdoor kitchen design.
- All inserts are standardized to fit into the top frame and lower shelf frames, enabling a wide range of customization.

Insert options include:

- Acacia Hardwood
- Distressed Acacia Hardwood
- Solid Stainless Steel
- Stainless Steel Grid

IntEGGrated Nest+Handler

The NEW Big Green Egg intEGGrated Nest+Handler merges two great products (EGG Nest and Handler) into a single strong, stable, mobile base for the EGG. Featuring welded joints, there is minimal visible hardware for a cleaner look, and the curved and angled lines accentuate the iconic shape of the EGG.

- Curved and angled lines accentuate the EGG form; welded joints minimize visible hardware, resulting in a cleaner look
- Curved handle is large enough for two-handed movement; 2 brackets secure the EGG to handler
- Made of heavy-duty powder-coated steel
- Heavy-duty 4" casters (2 locking)
- Available for 2XL, XLarge, Large and Medium EGGs

Portable Nest for MiniMax EGG

The NEW Portable Nest for the MiniMax is designed to raise this portable EGG to a comfortable cooking height – perfect for camping, tailgating or wherever your next pop-up event happens. The Portable Nest conveniently folds for storage or transporting to events.

- Folds for easy transport; Portable Nest locks in open/closed position
- Quick-release clips secure the MiniMax Carrier firmly to Portable Nest
- Made of heavy-duty powder-coated steel
